Re: City of Bee Cave 2019 Street Improvements – Bid Award Recommendation

Dear Mr. Garza,

Bids were received on May 31, 2019 at 2:00 PM. Three bids were received, and the results are shown on the attached Bid Tabulation Form. For the base bid, the bids ranged from \$1,090,012.06 to \$1,854,678.30. The bid also included 3 alternative bids and the total bid amount (including the base bid and all alternatives) ranged from \$1,835,668.33 to \$2,823,589.85.

LNV requested the bidders to complete a Statement of Experience form that included company experience, Project Manager experience, and an equipment list. After reviewing the Statement of Experience and all the bid documents, LNV recommends that the City award the base bid to Lone Star Paving. LNV researched the project experience and spoke with references that provided favorable reviews. Lone Star Paving has demonstrated with their previous work experience the capability of performing the quality of work required for this project. Therefore, LNV recommends award of the contract to Lone Star Paving.
